Transitioning between third and fourth grade is a big step from the lower elementary level to upper elementary. Students are expected to continue digging deeply into the complexities of math, reading, and writing; to expand their thinking skills; and to work more independently on advanced, structured material.

3rd Grade Nutrition Education Lesson Plans

When we started our business in 1985, it was the ability to build your own curriculum that set Timberdoodle apart. While we still offer parents the ability to tailor their curriculum to their unique family, we meet more and more families each year who are simply not comfortable with that particular aspect of home teaching.

Curriculum Kits - Timberdoodle Co
