

The Canadian Writer S Workplace

The modern workplace is unlike any other. The scale and speed with which businesses need to recruit, support and transition the most diverse work force in history to meet the demands of today's high-tech, global economy is unprecedented.

History. The Best Christian Workplaces Institute started with a question being pursued by two people: "What makes an exceptional place to work?" Helen Lee, then a student at Babson College, studied Strategic Human Resource Management and wondered how those concepts could be applied in a Christian setting.
